INNOCENCE LOST

But you can be a light of hope and healing for our youngest victims of crime.

Dear Community Partner,

The Barren River Area Child Advocacy Center invites you to come aboard and support an evening of glamour and elegance at the Summer Lights Gala 2011 on Saturday, September 24, 2011 at the lovely home of Buster and Jan Stewart in Bowling Green

Without ever leaving town, guests will arrive on deck of this year's Voyage of Hope and enjoy an elegant cocktail party with dinner, live music and dancing under a beautiful midnight sky, all while bidding on elaborate silent and live auction items.

The purpose of the Summer Lights Gala 2011 is to help raise awareness and funds to support the mission and critical services of the Barren River Area Child Advocacy Center (BRACAC). The Center is centrally located in Bowling Green to provide services to victims of child sexual abuse and their non-offending family members and caregivers living in the ten counties of the Barren River Area region. All proceeds from the Gala benefit the Center to help ensure every child in our region continues to have access to one central, child-friendly location where forensic interviews, specialized medical examinations, mental health services and many personal advocacy and case management services can be coordinated and provided by a team of multidisciplinary professionals. By working together, additional trauma can be avoided and a child can begin the healing process. The Center provided services to 366 children last year alone and at no expense to the child's family. We need our community's help to continue to be there when they need us.

Please take a look at our sponsorship opportunities and contact Cathy Schutte today at c.schutte@bracac.org or at (270) 783-4357 to learn how you, your business or civic organization can sponsor this very important event. The BRACAC is a private, non-profit 501c3 agency, so your donation is fully tax deductible to the fullest allowed by law.

Thank You! We look forward to talking with you soon!
